Nailor manufactures a unique and comprehensive line of products essential for a well-designed HVAC system.</p>	<ul style="list-style-type: none"> • Single Duct Terminal Units • Diffusers, Registers & Grilles • Critical Environment GRD's • Electric Ducts Heaters • Displacement Diffusers • Fan Coil units • Louvers
	<p>EHG, a division of Linx Industries, is North America's leading manufacturer of HVAC ductwork. EHG provides the construction market with residential, commercial, and industrial air distribution solutions. Discover how our sheet metal products can save valuable time and money. From ductwork installation to ownership, count on our well manufactured products.</p>	<ul style="list-style-type: none"> • Spiral & Long-seam Duct • Round & Flat Oval • Single- & Dual-Wall Insulated • Various Joint Types • Industrial Ductwork • Air Distribution
	<p>We are a medium-sized Czech company, which is fully specialized in the production of fabric ducting and diffusers for the transport or distribution of air. We do not produce ducting by the meter, but provide tailor-made solutions. These include draft-free air supply, even air-flow distribution, maximum induction or, conversely, low-speed air supply throughout.</p>	<ul style="list-style-type: none"> • Round, Half- & Quarter-Round • Track & Cable Suspension • Various Hold-open Solutions • Permeable & Non-permeable • Custom Colors, Logos & Patterns • 100% Recycled Option
	<p>Founded in 1928 as a sales organization, Pottorff's shift to manufacturing in 1971 remains anchored by a desire to deliver quality products, on time, at competitive prices. Shipping from two U.S. factories, our dependable service is backed by an industry-leading 5-year product warranty. We adhere to and exceed the most stringent codes set forth by industry organizations, and enjoy a strong partnership with</p>	<ul style="list-style-type: none"> • Air Control Products • Back-draft Dampers • UL-Listed Life Safety Products • Louvers • Louvered Penthouses • Equipment Screens • Duct Silencers
	<p>ThermaDuct is committed to bringing the very best air distribution technology in the industry to our customers. Unsurpassed performance is our goal: to create duct systems that can not only deliver every cubic foot of air it is fed, but to treat the air with the utmost respect by not exposing it to fibrous or volatile organic chemical latent liners. With all pre-insulated systems, air passes over the smooth aluminum surface of Kinspan KoolDuct's closed cell phenolic panels.</p>	<ul style="list-style-type: none"> • ThermaDuct Outdoor Rectangular • ThermaRound Outdoor Round • InSpiral R Indoor Round • Floval Indoor Flat Oval
	<p>Kinetics Noise Control, a leader in the vibration and noise control industry since 1958. With state-of-the-art engineering, Kinetics provides the optimum solution to the client's sound and vibration problems. Kinetics also develops custom products for customer's individual needs.</p>	<ul style="list-style-type: none"> • HVAC Vibration Isolation • Seismic Engineering & Products • Industrial Systems • Precision Isolation

Air Distribution Products Sold Throughout Middle & East Tennessee
